Dave, Dave and Michelle,

Looking forward to seeing all of you tomorrow. I understand that the meeting will start with a discussion about Riverside Auto in Acushnet (Michelle, obviously you don't have to be part of this discussion, but we won't kick you out). I anticipate that his discussion will take about a half hour.

Then we are going to discuss the Aerovox Phase III with our contractors, so they don't need to call in to the bridge line until 10:30.

Then Deb Marshall and I would like to discuss Phase I of the Riverwalk with you if we have time when we complete the discussion on Aerovox, if possible....

See you all tomorrow...

Gerard Martin
